REPLY TO THE ATTENTION OF:

MEMORANDUM

SUBJECT: Reilly Tar EDD

FROM: Robert E. Leininger *RL*
Assistant Regional Counsel

TO: Rodger Field
Michael Elam
David Ullrich
Robert Schaefer

I have just received a final copy of the EDD for the Reilly Tar case from the Waste Management Division. It is currently going through sign-off in the Waste Management Division and I expect that it will be sent up here within the next few days for sign-off in Regional Counsel. Attached to this memorandum are advance copies of the EDD which I ask that you review so that when the official copy comes up for sign-off I may walk the document through.

We have received the Reilly Tar Consent Decree with all of the non-federal signatures attached to it. Waste Management Division has requested that we delay the briefing of Mr. Adamkus and his signing of the Consent Decree until the EDD has been fully signed off and can also be presented to Mr. Adamkus at the briefing. Unless an unforeseen problem arises during the course of the EDD sign-off, I anticipate that we will be able to brief Mr. Adamkus and request his signature on the Consent Decree during the latter part of next week.
